KUALA LUMPUR: Hua Yang Bhd has received the Certificate of Completion and Compliance (CCC) for its three residential projects in the Klang Valley and Bandar Universiti Seri Iskandar (BUSI).

The projects, with a combined gross development value of RM408 million, are the group's core urban project, Sentrío Suites and Residensi Flora @ One South, both in Klang Valley and Lavender 2 in BUSI, Perak.

In a statement yesterday, chief executive officer Ho Wen Yan said the three projects were fully sold within a short time frame, demonstrating the strong demand and interest in the af-

fordable segment.

"The Klang Valley and Perak remain as the group's key regions and continue to contribute positively to its revenue," he said.

During the third quarter of its 2017 financial year, the group's projects in the Klang Valley were the largest contributor to revenue, making up a total of 45 per cent while developments in Perak contributed 21 per cent.

"We remain committed to our core mission of providing affordable housing to the public.

"In the current cycle, our focus is to deliver our products with quality

and the passion we have for building quality living environment," he said. —
